

Since 1972 the Arizona Business Association, Inc. (ABA) has been a Safety Association dedicated to promoting a culture of safety in the workplace through Safety Awareness, Training and Consultation, Social Networking and events while still maintaining its main objective to provide safety classes and seminars on operating a business safely to maximize the discounts and dividends. We provide information and assistance on back to work programs and have available **Free** Safety Training. All members also have use of our **Free** Safety Video Library. We also provide group Health and Dental Insurance and other services to our members.

Membership Opportunities - ABA Offers Two Options of Membership:

- **Option #1 Association Safety Program (ASP) membership.** All ASP members must be current policyholders of either SCF Arizona or their subsidiary companies (Premier, Western, National, American or General) to participate in the ASP.
- **Option #2 Associate Membership.** For those companies who are not policyholders of SCF Arizona but would like to participate in a safety driven association that offers Safety Training, Networking, Special Events and Safety Management Assistance.

All ABA members can participate in our **Free Safety Training Seminars and Association Events. Membership is not individual but is unilateral through your company.*

The ABA is also affiliated with the SCF Arizona for Workers' Compensation Insurance. The SCF Arizona offers businesses that fit their loss control criteria up-front discounts. Dividends are paid from the SCF Arizona annually. An additional Bonus Dividend is paid by the SCF Arizona through the association as an incentive for Safety Promotion. **Although SCF Arizona has declared a dividend every year since 1970, dividends are not guaranteed in advance and are subject to declaration by SCF's board of directors.*

**Learn about how we can help your business with Safety and how that can help your
Bottom Line Dollar.**

Please Click On Either [ASP Membership](#) or [Associate Membership](#) To Begin Your Enrollment.
