- ▶ **7:00 AM—9:00 AM**
- ▶ **SCF Arizona  
1st Floor**

The AZ Business Association is sponsoring a series of FREE Safety Training Courses for you as an ABA Member.

**Key Elements To An Effective Safety Program - Avoiding Citations -**

This course provides guidance on developing and implementing an effective safety program but focuses on the needs of small businesses.

Whether you're a new business who needs to build a comprehensive safety plan or update an existing one you should take this **Free** opportunity to attend.

Attendees will learn the key components of an effective safety program as well as gaining an understanding of recordkeeping, the monetary benefits of safety programs, the pros and cons of incentives and recognition programs, along with the regulatory requirements.

This class is offered free of charge (**FREE TRAINING**), however seating is limited therefore we recommend registration. November 5, 2010
